

# Partnering with **gathr.**

Gathr offers full digital onboarding & verification software with powerful modules that radically changes how businesses onboard customers & verify leads.

## Power financial access in Africa with us

When you become a Gathr reseller, you become a technology partner to a leading fintech group in South Africa. Enabling you to generate revenue while contributing to the empowerment of financial access in Africa.

Companies use our modules - each with a separate API and can serve as a stand-alone product or a bundle - to do the following:

- ✔ Collect transaction information
- ✔ Verify bank account ownership
- ✔ Credit report & score
- ✔ Fraud check
- ✔ Verify ID
- ✔ Validate ID document
- ✔ Validate proof of address
- ✔ CIPC verification

Become a reseller

## What's the opportunity?

- **Reseller recognition:** gain trust and credibility as a recognised Gathr reseller.
- **Loyalty program:** earn rewards for client referrals.
- **Discounted annual renewals** for Gathr clients: offer clients discounted renewals.
- **Revenue growth:** build and enhance your revenue streams.
- **Contribute to financial access in Africa:** play a crucial role in financial inclusion.
- **Build a robust support system:** contribute insights and enhance the fintech ecosystem.

## How does it work?

**Step 1 - Discovery Meeting:** Schedule an initial meeting to understand Gathr and identify potential clients.

**Step 2 - Onboarding:** Sign on as a reseller, familiarise with Gathr's functionalities, and get collateral for effective promotion.

**Step 3 - Start Earning Commission:** Get started with client engagements and begin earning commissions for successful partnerships.

### Pricing

Our pricing model is transparent and straightforward. Clients are billed based on a per-transaction calculation, ensuring a fair and predictable cost structure.

### API Docs

Accessing **Gathr's API documentation** is seamless and comprehensive. Our documentation covers everything you need to seamlessly integrate and utilise our services.

### Support

Our responsive support team is here to serve both resellers and their clients, providing expert guidance and swift assistance for a successful outcome.
